Crew cabins

2 + 1

Developed on three decks TAIPAN maintains the elegance of the classics of Lagoon combined with the modernity of the new catamarans.

Built in 2019 it is equipped with a large master cabin with double access, and three other VIP cabins, all equipped with en suite bathroom and double bed.

The large outdoor spaces allow you to fully enjoy the sea in total relax. The Fly bridge allows a 360° view of the surrounding environment.

GENERAL INFORMATION

Taipan is one of the most performance catamarans ever developed by the Lagoon shipyard. Thanks to its lines and the technology installed, this model is the perfect link between conductivity and comfort.

OUTDOOR SPACES

FORWARD DINETTE

TAIPAN is equipped with a large bow dinette with ample sunbathing, which allows guests to enjoy the maximum of the large forward space.

The two large nets also allow you to fully observe the sea and experience it during navigation.

AFT DINETTE

In the aft dinette we find a large table suitable for lunches and dinners, large seats and sunbathing.

For access to the sea in addition to the two transoms equipped with a ladder there is a lift of over three meters, suitable for descent into the water and as a beach.

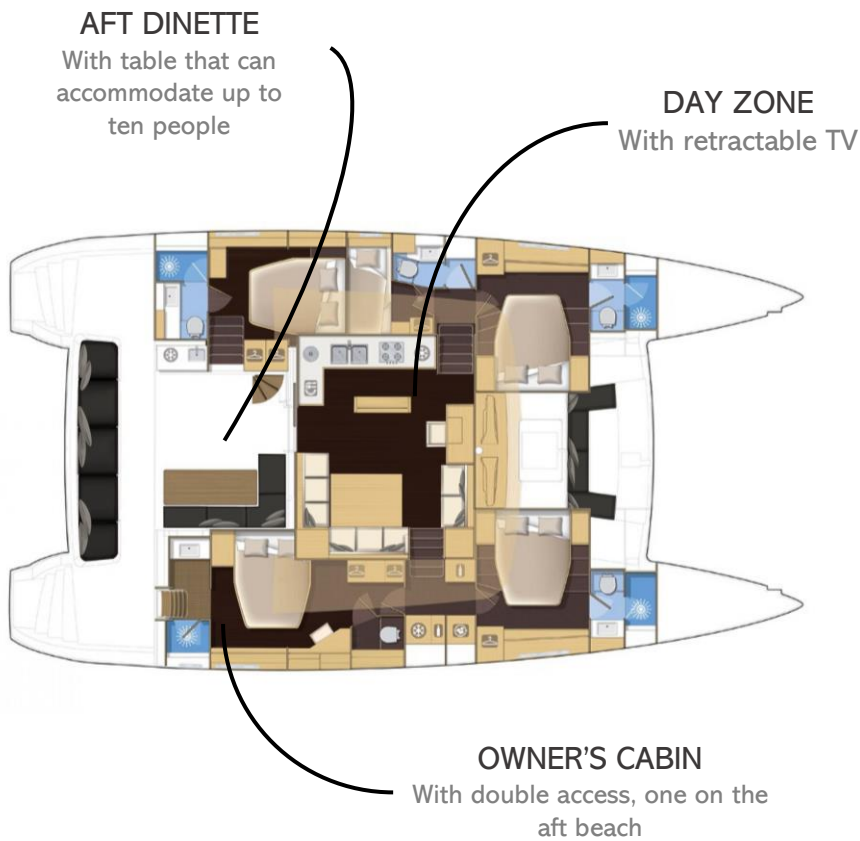

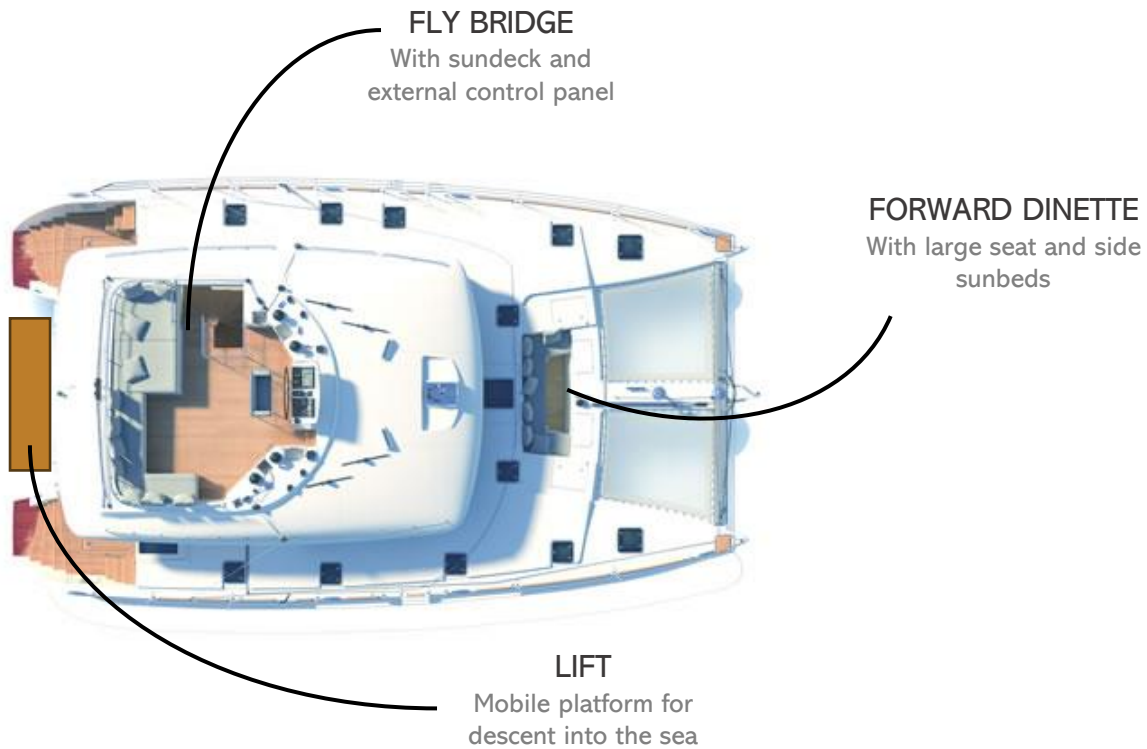

FLY BRIDGE

The Fly bridge will allow you to observe the sea at 360, enjoying an aperitif or sunbathing.

In addition, it will allow you to see more closely the navigation and maneuvers, thanks to the proximity to the commands.
